

## AURORAS, VOLCANOES & GLACIER LAGOON

Day: 1

Location: WELCOME TO ICELAND

Day: 2

Location: THE GOLDEN CIRCLE ROUTE

Description: At 08:30 meet your tour guide and start the escorted tour program with a short introduction to Icelandic geology. At the Volcano House you can experience a hands-on geological exhibition where you can examine various pieces of pumice, ash and lava from Icelandic volcanoes. Later on we depart from Reykjavík and drive to Thingvellir National Park, a UNESCO world heritage site, and where the Althingi, the oldest legislative assembly in the world was founded. And then exploring the hot springs at Geysir. We travel to Gullfoss, "the golden falls", which is a double waterfall that tumbles 34 meters into the Hvítáriver. Gullfoss is one of Iceland's most beautiful waterfalls. We stay for one night in simple cottages in South Iceland.

Day: 3

Location: VATNAJÖKULL NATIONAL PARK & GLACIER LAGOON

Description: A long drive brings us to a world of glaciers, ice and icebergs. We travel to Jökulsárlón glacial lagoon filled with floating icebergs. We explore this extraordinary site and perhaps see some seals swimming in the arctic waters. You can walk on the black sandy beach where large icebergs get stranded. Then to Vatnajökull National Park. We stay for one night at Fosshotel Núpar in the Vatnajökull region.

Day: 4

Location: SOUTH COAST

Description: Today, we head across the Laki lava field to the village of Vík where we make a photo stop. We take a stroll on the black lava beach and along the bird cliffs at Reynisfjara beach in South Iceland. We pass the glacier Mýrdalsjökull and the infamous volcano Eyjafjallajökull and continue to Skógafoss waterfall which is 60 meters high and belongs to the most impressive waterfalls in the country. There's a trail that goes behind the fall which is interesting - if you are prepared to get wet! In the evening you return to Reykjavík for one last night. An optional Northern Lights bus tour or fjord cruise can be booked on the spot, if the weather conditions are ideal. We stay for one night in Iceland's capital.
